

Disney/National Geographic: Disney Tales Alive

Frame 1

Opening Shot: a magical forest during the early morning, birds sing and snow white hums along,

Frame 2

Camera pans through the trees (which are no longer cartoon) to reveal Natgeo and disney logo

Narrator: "Prepare to embark on an extraordinary journey where fantasy meets reality like never before."

Narrator is David Attenborough

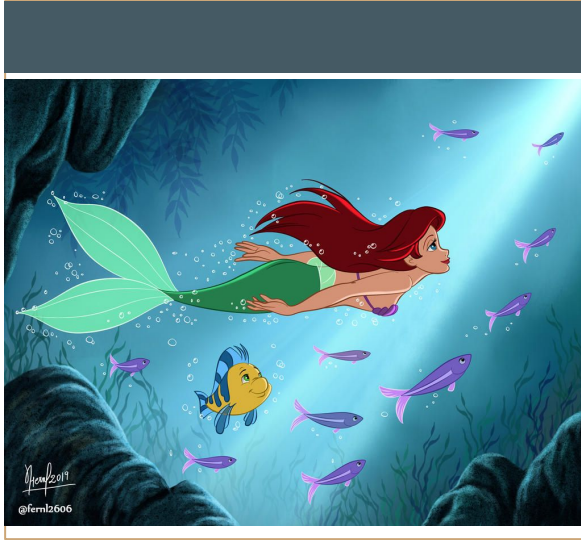

Close up on lions face
zooms out to it roaring on a
large rock looking over the
savannah

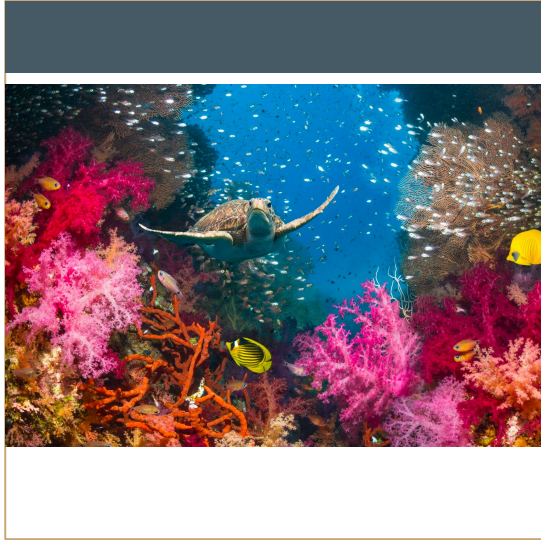

Narrator: "In a world
where beloved Disney
fairytales and iconic animal
characters come to life..."

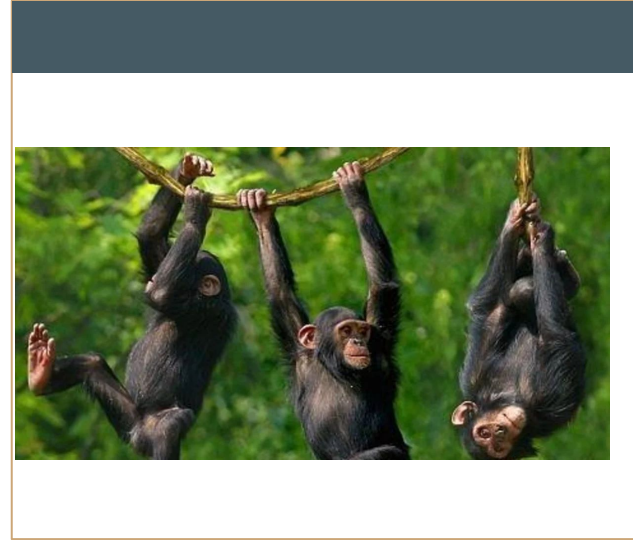

Image changes to the iconic
lion king shot

Images transfer to the little mermaid swimming among coral and fish

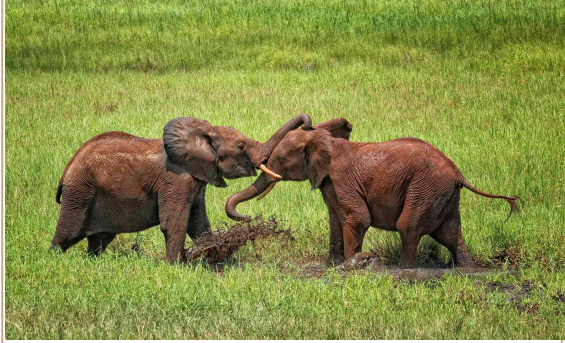

Narrator: "Experience the enchantment of the natural world"

Cut to the jungle where monkeys are swinging on tree branches

Image pans out to a
beautiful lush jungle

Join us as we explore the
magic in an all-new
National Geographic series

*elephant trumpet in
background*
