What a stunning place! never knew how beautiful (and dangerous) Nevada could be! I'll never forget that wild helicopter ride and challenging trek to find our food. @Beargrylls @Jtiefenthaler @Morgangurley

No way I'm climbing down that mountain! Sorry @Beargrylls but I'm not trusting a bag of sand with my life!

@Beargrylls did you really have to pick the horse poop up? Seems unnecessary... I feel like you can tell its fresh without using your bare hands! #nasty #nohandsantizer #speculationtracking

If I ever sleep in another cowboy coffin it'll be too soon! Still having nightmares of scorpions and tarantulas! Good thing I had cuddles with Bear to keep me warm! #spooning #Cowboycoffin @Beargrylls @Morgangurley
